Abstract

This section contains a brief explanation of the topic of study, problems or research focus, methods used in collecting and analyzing data, the essence of the research results, and the essence of the results of the research discussion. The word limit in this section is 250 words. Please pay attention to the type and size of the font, spacing, margins that have been determined, or it is recommended not to change the format on this template.

Keywords: *at least three keywords, separated using commas, and written in Italic*

Introduction

The word limit for this article is 3,000 to 5,000 words. Please observe the specified font type and size, spacing, margins, or it is recommended not to change the formatting on this template.

The main point of this section is the introduction of the research. This section must contain a description of; the importance of the research, the definition of the main concepts used, a brief and clear literature review, a detailed and clear research gap with reference to the main concepts used, and the research objectives.

Methods

The word limit for this article is 3,000 to 5,000 words. Please observe the specified font type and size, spacing, margins, or it is recommended not to change the formatting on this template.

The main point of this section is the presentation of the research methodology. This section must include a detailed description of; the type of research that has been conducted, the location where the data collection activities were held, the identity and number of participants and the reasons for their selection, data collection techniques and processes, and data analysis techniques and processes. This section can also be added if there is a consideration ethic.

Result

The word limit for this article is 3,000 to 5,000 words. Please observe the specified font type and size, spacing, margins, or it is recommended not to change the formatting on this template. The title of this section can be changed according to the needs.

The main point of this section is the presentation of the research results. For qualitative articles, this section should include an introduction to the data, presentation of the data, including excerpts of participants' conversations, and comments on the data. Interview quotes with a word count of 40 or more are written separately using italics, single spacing and double quotation marks as follows;

"Lorem ipsum dolor sit amet, consectetur adipiscing elite, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. With a little poison, which is a hard exercise that no one else can do as a consequence. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur. Unless sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum".

For quantitative articles, this section should include an introduction to the data, presentation of the data in figure tables, and comments on the data. Tables should be clear, font size 10pt, and sequentially numbered following the order of this section (see Table IV.1).
