

Engineers Without Borders  
General Body Meeting Minutes

10/14/2023 – 10:00 AM

**Greater Cincinnati Professionals Chapter**

- 2 spring development remote implementation projects are done and looks really good.
- 10,000L tank design currently underway. Tank will connect to the spring boxes and store water at the school.
- Pre-trip construction report due 11/8/2023, along with final drawings and cost estimate.
- Traveling to Rwanda in late January.
- Post-implementation report for spring box construction earlier this year needs to be finished ASAP (before we submit pre-trip report for January).

**University of Cincinnati**

- Outreach event with elementary school students (second year doing it).
- UC Homecoming fundraiser at Chipotle near campus today (10/14/2023).
- 2 projects in Tanzania currently open, one includes tap stand and tank, and one includes rectification of electrical work. Looking for new electricians and plumbers.
- Searching for new project in Rwanda just outside of Kigali for spring development project. Will apply for project today and hopefully get approval soon.
- Innovation day at UC coming up soon.

**Miami University**

- Waste stabilization pit in Rwanda – looking to get started in December. Revised drawings to be done soon for construction.
- Hindiro Pipeline project in Rwanda – spring redevelopment project (2 springs) for pipeline they will be designing. Storage tank is the next phase of that project. Planning to travel in May pending funding.
- Uganda project in same spot as Wright State. Trying to resolve manganese issues.
- Local project is a bridge in Western Wildlife Corridor with UC. Trusses built, need installed for bridge.

- University Farm project – drainage master plan for biology and sustainability programs at Miami University.
- Gala fundraiser with silent auction on November 10<sup>th</sup>. Hold the date has been sent out.

### **Wright State**

- Doubling attendance recently.
- Bake sale this coming week.
- Community greenhouse in Dayton – project is getting set up now.
  - Drawings exist, but they are written in Chinese. Need translator to help read drawings.
- ASCE speaking event coming up.
- Centerville high school project.
- International – Working on bill of materials and community agreement.

### **Financial Updates**

- ~\$34,000 in the bank to date.
- Raised nearly \$7,500 from the volleyball fundraiser (money is already being spent).
- Looking at other fundraisers over the winter (bowling/brewery event?).
