2025-2026 Kindergarten Registration is Open

We are pleased to announce that Kindergarten Registration for the 2025-2026 school year opened on Monday, January 6, 2025. If you have a child who will be starting Kindergarten in the fall, registration information will be posted to the district website www.milforded.org. You must register your child for Kindergarten ***at the school determined by your street address, unless placed by Pupil Personnel Services.*** School/Street Assignments are available on the district website under “[District Information](#).”

Children born on or before September 1, 2020 are eligible to register for Kindergarten. **If your child is not age eligible** (born September 2, 2020 through December 31, 2020), **please use the online registration form to request a waiver.**

Any current MPS Preschool or Ready To Learn (RTL) students will not need to complete an online registration form. However, we ask that you complete the ***Kindergarten Notification Form located in PowerSchool.***

If you need assistance with the registration portal, please contact the main office of your district assigned school. School contact information can be found on the district website under “[Schools](#).”

We are excited for your children to join us! Fully registered families, please be on the lookout for more information from your school’s Principal about an in person kindergarten event in the spring. In the meantime, click [here](#) for a sneak peek of what to expect in Kindergarten!

We look forward to welcoming the Class of 2038!

Band and Orchestra from 4 Elementary Schools Perform at Parsons Complex for first time! The band and orchestra sections from Live Oaks, Orange Avenue, Orchard Hills, and Calf Pen Meadow performed together for the first time ever at Parsons Auditorium on Thursday, January 16th in the evening. The auditorium was filled to capacity at just over 900 members! The show was amazing! Congratulations to all students who performed and thank you to all community members who attended.

News from the Community

This week's CCC News is packed with helpful information and fun activities! We're excited to highlight several Martin Luther King Jr. celebrations happening across Connecticut. In Milford, you can check out Foran High School Learning Center's Open House, Bridges Mental Health Training, and Milford Park & Recreation's "Drama Night." Also, don't miss a visit to the Vintage Radio & Communications Museum in Windsor. For all the details, check out our [CCC Newsletter](#). And if you're looking for more community resources, be sure to visit the [CCC Website](#).

Mark Your Calendar

- Monday, January 20 Martin Luther King Jr. Day (No School)
- Wednesday, January 22 (Early Release at 1:25 PM)
- Tuesday, February 11 virtual PTA meeting at 6PM
- Friday, February 21 PTA Mardi Gras Party
- Wednesday, March 12 PTA Meeting at 6PM

Sincerely,

Mrs. Rose Marzinotto

Principal

Rmarzinotto@milforded.org

Mrs. Kristine Gentile

Teacher Leader

Kgentile@milforded.org

Please note: The majority of our communications from both the school and the district will be electronic. This letter, with live links, was emailed Friday afternoon. If you did not receive the email, please check your spam folder and if not there, please make sure that your email is up to date in powerschool. If you are still having trouble, please contact the Instructional Technology department through computerhelpdesk@milforded.org or at 203-783-3446.

We are OWL in this together!

1, 2, 3, 4, WE DECLARE A

eesmarts™ Student Contest

Registration Now Open

Energize ConnecticutSM Sponsors Eversource and United Illuminating, Connecticut Natural Gas, and Southern Connecticut Gas, subsidiaries of Avangrid, are proud to bring you the twentieth **eesmarts** student contest for grades K through 12. **eesmarts** is an energy education initiative, and each year Connecticut students are invited to show off their energy smarts in science, writing and technology by entering the **eesmarts** student contest.

The annual eesmarts student contest raises awareness among Connecticut school children about the importance of making smart energy choices and their lasting effect on our environment.

Students respond to grade-level-specific prompts on energy efficiency and renewable energy topics in the form of a poster, a poem, an essay, or image. An awards ceremony will be held in May, where grade-level finalists receive prizes of \$400, \$250, or \$100.
