Ghar dila de, var dila de tu  
Sone ki dila de chain  
Baarish kara de rain ab ke liye yeh  
Suddhiyaan de, buddhiyaan de  
Tu himmat de zubaano ko  
Sehat insaano ko, ab ke liye hai yeh

Roz hoon dar pe aata  
Hai toot gaya zara dekh mera chaata  
Hoon bheeg to main jaata  
Mol bhaav kare duniyaan  
Bachane chawanniyaan  
Kyu insaaf ki deviyaan  
Baandhe aankho pe pattiyaan

Mere samajh nahi aate  
Sapna hai jaana hawaai jahaaz mein rehna  
Hai jaa ke mujhko taj mein  
Mehnat hai mazdoori ke kaaj mein  
Paise bina hoon tere hi raaj mein

Phir se batwaare kar saare  
Hum kya tujhno nahi pyaare  
Sona chaandi de chaandi de  
Unki aandhi de aandhi de

La la la de de  
La la la de de  
La la la de de  
La la la de de

Deh deh shiva thodi si shakti  
De tu khol teri jataayein  
Teri boond ko pyaase

Le le shiva meri tu bhakti  
Khada aage main haath ghole  
De jo maangta hoon

Bhole! Dekhe kya tu khada khada  
Aye! Chappar de phaad tu zara  
Aye! De meethi si de vaani  
Aye! De aur jawaani  
Aye! De naa ulat kahaani  
Aye! Aye! Aye! Aye!
