eLearning Council 2017-2018 Goals

The eLearning Council ensures equitable student success through:

Goal	2017-18 Activities	2018-19 Plans
1. Expanding the use of accessible technology and universal design for learning.	Provide professional development to the system ● WA Canvas Conference ● Instructional Design Retreat ● Accessibility 101 Ally implementation Captioning Third-party web sites discussions Joint ELC/ITC Accessibility Work Group	Continue current professional development activities ● 2019 WA Canvas Conference theme is ENGAGE! Conference expands to include IT staff Expand Ally and captioning utilization Complete third-party web sites white paper Joint ELC/DSS meeting?
2. Developing, adopting, adapting and expanding access to open educational resources (OER) and open pedagogy.	Provide professional development to the system, e.g. SBCTC How to Use OER course, WACC/NWelearn conference themes, Instructional Design Retreat. Advocacy and support on campuses Joint ELC/LLC projects	Continue current professional development activities Develop ELC/LLC partnership
3. Explore continuous improvement practices utilizing LMS Data.	On hold due to CTCLink resource constraints	On hold

4. Leading college responses to compliance with learning technology regulations.	Compliance workgroup established [Draft guide for responding to ED Program Reviews](#) [Library of shared professional development resources](#) on Regular and Substantive Interaction Continued challenges with third-party web sites (e.g. textbook websites) and access to respond to ED program reviews	Complete guide for responding to reviews Create shared library of faculty handbooks Updates on State Authorization, recommendations for next steps Continued accessibility work
5. Ensuring stable, robust instructional technology for teaching and learning.	Created requirements document for Learning Management System (LMS) Request for Proposals (RFP). Contributed to sole-source justification for LMS (pending).	Instructure Canvas contract expires June, 2019. Actions depend on outcome of sole source justification. Continued discussions about system procurements beyond the LMS, 3Play.
6. Researching advances to teaching and learning practice including the use of cutting edge technologies.	WACC tracks Instructional Design Retreat	Continued professional development activities.
