

Williston School District and Williston Families as Partners (FAP) made the choice to move away from individual product sales and instead to focus on Community based events as a means of fundraising. This model increases the percentage of money collected that stays in our schools, and more importantly, promotes quality time and connections between family, school and community.

In addition to these community event fundraisers, during the school year is the Williston Schools Annual Fund.

Some of the benefits of the Annual Fund are:

- **Equal funding for all students in each grade-level;**
- **Every student per grade is allocated the same amount of money to be used toward house activities and/or field trips.**
- **Houses have the flexibility to spend the money in the way that best fits the curriculum and style of the team.**
- **Significantly cuts down on the number of fundraisers families are expected to participate in per year.**
- **100% of the money goes to FAP, vs. 20-50% with other types of fundraising.**
- **Tax deductible**
