

Introduction:

Hi! My name is [Your Name], and I'm part of [School Name]'s BPA chapter. I want to take a quick minute to tell you why joining BPA has been one of the best decisions I've made in high school.

What BPA Is:

BPA, or Business Professionals of America, is a student organization that helps you build real-world skills in leadership, business, technology, finance, and more. It's not just about competitions, but also preparing for careers while having a ton of fun along the way.

Why Join:

Through BPA, I've had the chance to [share a quick personal experience: compete at nationals, meet amazing people, run for office, etc.]. But also, BPA helps you make lots of new friends, build confidence, and stand out on college and scholarship applications.

Opportunities:

We offer [chapter-specific activities: workshops, guest speakers, community service, etc]. Plus, you'll get the chance to compete in an event of your choosing, anything from accounting and marketing to health science and video production.

Call to Action:

If you're interested, it's really easy to join. We're accepting members until [insert deadline], and you can sign up by [explain process: filling out a form, talking to advisor, etc.]. Feel free to come talk to me afterward or DM us on Instagram at [username].

Closing:

BPA has something for everyone, and we'd love for you to be part of our chapter!
