Reading Curriculum Overview

Reading Subject Intent

Reading is our key that unlocks access to our curriculum. The early Reading curriculum at BPS (for Year R & 1) follows *Little Wandle* systematic synthetic phonics programme, from the very first day of reception. Children are prepared for a phonics reading check by the end of Year 1. Pupils who are not secure in early reading (decoding/prosody/comprehension) by the end of Year 1, continue receiving '*Rapid Catch*' up phonics teaching as their reading provision in addition to phonics interventions, delivered by our highly-trained dedicated Reading Recovery Teacher. Those secure in phonics, move onto small group 'round robin' teaching from Year 2 onwards. This follows 5 carefully-designed reading sessions per week, where children explore different Reading Content Domains (reading skills to develop comprehension), take part in guided and independent written reading tasks, vocabulary development tasks and accessing our online based reading programme called *Reading Plus*. We aim for all children regularly engage with a range of high quality text extracts from fiction, non-fiction and poetry, to expose them to age-appropriate themes, vocabulary and ideas that will help them engage positive with literature and books, to build knowledge and skills that will help them become prepared for the next stages of their learning, being prepared for life!

Reception & Year 1 follow Little Wandle MTP
