

It is our goal to accept all athletes regardless of their ability to pay the Fees. This may not always be possible, but every attempt will be made. We have approached local community businesses about offering aid. We also have made it possible for families of existing players to add a little extra to go toward scholarships.

Maybe someday in the future, you will be in a better financial situation and you will remember the kindness of others and make a donation to the club. Pass it Forward!!

- 1) Please use the attached document and fill in the pertinent information. We do not require any financial information. Just your request for aid due to family hardship.
- 2) We can offer payment plans for all or some of the fees.
- 3) Email or mail the next page to us ASAP. Then fill out all the required paperwork to be a member of our club for 2021. Even though you don't know if we have any scholarship funds available for your child yet. It will help us to prepare for our teams.

Once we have all the requests for aid the board of directors will sit down and make decisions based on available funds.

It is our goal to be needs-blind and accepts all athletes to our club. We will be in touch as soon as we can.
