Adoption Application/Contract
Please read carefully

We'd like to remind you that a pet is a member of your family and a lifetime commitment.

All of our animals are spayed or neutered, microchipped and receive all necessary veterinary care such as deworming, flea treatment, feline aids and leukemia testing, appropriate vaccines and any other treatment necessary. Suggested adoption donation is $135.00 (cat or dog) which covers only a portion of our costs, and goes toward helping another rescue in need. Some of our animals may have suffered abuse and neglect in the past and will need your patience in their new environment which may cause them added stress. These animals deserve a new chance at life with as much love and the best care any of us can provide.

Cats and Kittens MUST be transported in a secure carrier or crate.
