Small School...Big Opportunities
Developing Our Youth into Lifelong Learners

February 14, 2017

Parents of T. G.,

T. had his scheduling and ACP (Academic and Career Planning) meeting with our school counselor Mrs. B and his ACP Advisor, Mrs. W, on February 8, 2017. Attached you will find his current career matchmaker assessment and the career clusters results.

T's current top two career clusters are:

- 1) Agriculture, Food & Natural Resources
- 2) Science, Technology, Engineering & Math

T. is currently considering a 4 year degree higher education path. Based on this data, T. tentatively scheduled his classes for his sophomore year as follows:

1. Geometry
2. Chemistry
3. English 2
4. American Government and Health
5. Band
6. Spanish 2
7. Computer Science
8. Study Hall

The schedule above is not listed in order. Order of classes will be finalized in late spring once the master schedule is completed.

If you have any questions or concerns please contact Mrs. B or Mrs. W

Sincerely,
