☐ **B**e Safe

I will follow my teacher's instructions for using the RCS Chromebook at all times.
I will only use web sites, games, or apps when my Teacher tells me to.
I will not use websites, games, or apps that my teacher has told me I cannot use.
I will keep my computer on my desk and not let it hang off my desk to fall and break.
I will not leave it on the floor for someone to trip on.
I will hug the Chromebook when I am walking with it, lid closed.

☐ **A**ct Responsibly

I act responsibly and not write, draw or put any stickers on my assigned RCS Chromebook.
I will not take off any RCS stickers, including ones with my name on it.
I will keep food and drink away from my RCS Chromebook and I will use it with clean hands.
I will not bang on the keyboard, throw it down, take keys off, or damage the device.

☐ **R**espect Self and Others

I will show respect by using my assigned RCS Chromebook and not another student's device.

☐ **K**indness is Key

I will show kindness and treat the RCS Chromebook carefully. I understand that my RCS Chromebook will be assigned to me for several years, as long as I am at Huntsville Elementary.
I know I have to take good care of it and will do my best! 👍

I understand that if I do not follow all of the BARK Chromebook expectations, I will face one of the following disciplinary actions listed below.

- I may be required to complete the assignment using paper.
- I may be required to meet with an Administrator before having permission to use a Chromebook again.
- I may be financially responsible for physical damages done from irresponsible use or maliciousness.
