Plymouth High School Student Council
Alumni Hall of Fame Nomination Form

Application Deadline: May 2 , 2025

The Plymouth High School Alumni Hall of Fame was formed for the purpose of providing our current students and the extended community the opportunity to honor excellence. It is our hope that these people will provide role models for our current students, and offer a chance to celebrate the successes of those who have graduated from our school.

Nominees must have graduated from PHS at least 10 years ago. Distinguished alumni are men and women who have made exceptional achievements in endeavors including, but not limited to, education, science and technology, business, literature, athletics, and public service. These categories should be regarded as general guidelines.

We are attempting to honor individuals who have made a difference, have achieved a high level of success, have exhibited leadership qualities, and have demonstrated community service. Please try to address those four characteristics in your nomination. If a candidate is nominated but not selected this year, their application will remain on file and be reconsidered throughout the next three years. Nomination forms can be renewed or revised as necessary. Selections will be made by the Student Council "Hall of Fame" Committee.
