June 2025

The North Caldwell Partnership for Education is excited to launch our Stronger Together sponsorship program for the 2025-2026 school year! We offer our sponsors visibility in our community through both digital channels and in-person events. Our weekly e-newsletter reaches almost 1000 subscribers, and our Facebook followers number over 600!

We are grateful to our sponsors. They have supported our mission to coordinate student enrichment programs, raise funds to provide supplemental educational resources to Grandview School (Grades K-3) and Gould School (Grades 4-6), and manage an endowment to provide long-term funding for the school district. Our sponsors help sustain and elevate the NCPE's efforts to provide educational programming, technological advancement, playground equipment, health and safety enhancements, and teaching supplies for the schools.

Let's continue to support each other. Sponsorship opportunities are attached. We are available to answer any questions you may have and look forward to connecting with you!

Please consider sponsoring the NCPE today!
We are Stronger Together.

With gratitude,

Meena Bhide, NCPE Sponsorship Chair
