1. Using the measurements, score and cut paper.

3. Stamp onto the tag with Mossy Meadow the "May your season…" greeting on the lower half of the tag.
4. Glue the DSP to the cardbase. Attach to the back of the tag Dimensionals only on the center. Attach that to the DSP. Slide the Mossy Meadow until the tag on top and bottom. Use liquid glue to attach the Mossy Meadow. Use Glue Dots to attach the Vellum over the tag holes.
5. Make a knot bow with the Satin Ribbon and pull at the ends to allow it to fray a little. Attach over the Vellum with a Glue Dot.
6. Embellish with 3 Cherry Cobbler Berries on top of the Vellum.
