

Stuns and Skulls WC Qualifier 2025 - Tag Team Championships

Jordan and Pippen, Laurel and Hardy, Rick and Morty, Simon and Garfunkel, Xavi and Iniesta, Brady and Gronkowski, the Hart Foundation, the list of iconic duos is endless!

Join their ranks and team-up for this year's WC Qualifier hosted by Stuns&Skulls.

The league has already born some of the most iconic duos of all time: Tiox and the Hoover, Jim and Alcohol, Bernie and Excel.

Which new legendary duos will be born?

Will the Mac Brothers team up to a MacDouble?

Or will Rmac team up with LePeg to form the slowest playing team of all time?

Will xurpils again betray everyone and team-up with some coach from another league?

Will we see the comeback of LeBeret, maybe together with his younger brother LeCroissant?

Format:

It is a 2-Person team tourney with a knockout system in resurrection format. The tourney-winning team will get the two WC Play-in tickets! In each round (2 weeks) each coach plays two matches: one against each member of the opposing team. The order of matches is fixed. Per game won your team gets one point. The team with the most points wins and advances to the next round while the losing team is out. In case the overall result is a draw the tiebreakers are:

- 1) highest sum of team tiers
- 2) highest individual team tier

- 3) better overall TD diff
- 4) Coin flip (a.k.a highest sum of bribes paid to me)

The minimum Tier sum of a Tag Team is 3! So what will your team decide? Take the standard way of one Tier 1 team and one Tier 2 team? Or will you take weaker tier teams on purpose to get the tie breaker and play for an overall draw to win the round?

Roster Building:

Minimum Tier sum of a Tag Team is 3 but recall that Tier sum is the first Tiebreaker!

Tier 1: 1120k & 6 Primary skills

Tier 2: 1140k & 6 Primary + 1 secondary

Tier 3: 1160k & 7 Primary + 2 secondary

Tier 4: 1180k & 8 Primary + 3 secondary

No Stat-ups! No random skills!

Each player can have at most 1 skill.

Exception: Instead of using a secondary skill you can add a second primary skill to a player.

Tier1: Amazons, Lizardmen, Shambling Undead, Dark Elves, Skaven, Wood Elves, Dwarves, Orcs

Tier2: Norse, Underworld Denizens, Necromantic Horror, Humans, Elven Union, Imperial Nobility

Tier3: Old World Alliance, Black Orcs, Chaos Chosen, Chaos Renegades, Nurgle.

Tier4: Goblins, Halflings

Tier 4 teams can hire up to 2 star players according to their gold cost.

They additionally cost 2 Primary and 1 secondary skill per star player.

The following star players are banned and cannot be hired by any team:

Morg and Griff

List of eligible inducements to roster: Bloodweiser keg, Mortuary assistant, Plague doctor, Wandering apothecary, Bribe, Master chef.
