

Dear Lotus Staff and Families,

Beginning **Monday, November 10**, construction crews will begin utility work for our new building project. As part of this work, the **drive lanes along the north side (back) of the campus will be closed** from **November 10 through November 19**.

To ensure safety and smooth operations during this period, we will implement a **temporary staggered schedule** for **Elementary** and **Secondary** students.

Elementary Schedule

- Breakfast: **7:15 AM – 7:40 AM**
- Classes: **7:45 AM – 2:05 PM**

Secondary Schedule

- Breakfast: **8:00 AM – 8:25 AM**
- Classes: **8:30 AM – 3:15 PM**

A detailed **map showing updated traffic flow and parking areas** for staff, students, and parents will be shared via **email** and sent home with students.

We kindly ask for your **understanding and cooperation** during this short adjustment period. These changes are necessary to support the safe and efficient completion of our exciting new campus expansion. For everyone's safety, please:

- Follow the **staggered schedule** above,
- Adhere to the **temporary traffic routes**, and
- Listen carefully to staff and **uniformed officers** assisting with traffic flow.

This temporary change will last for only **eight school days**, and your patience and support will help ensure a smooth process for everyone.

Thank you for your flexibility and for being such an essential part of our Lotus community as we continue to grow together.

Warm regards,

Lotus Administration
