

School Psychologist - Part-time position 30%

From August 2025, we are seeking to appoint an enthusiastic and skilled School Psychologist to join our dynamic team. You will be instrumental in providing psychological educational services and fostering student well-being across our primary and secondary sections, ensuring our learner's needs are met in our multilingual context. Our mission is to serve both the Berlin international and local communities, with a strong emphasis on language development in English and German. The successful applicant will offer responsive support, comprehensive assessments, and collaborative consultations, working closely with students, families, Student Services Teams and the Principals to create an environment where every child is supported. Experience in psychoeducational diagnostics and interventions, particularly in an international or IB-focused setting, would be a distinct advantage.

Job Description: [School Psychologist \(SPsyc\)](#)

We are looking for individuals who:

- have a growth mindset and bring enthusiasm and self-initiative.
- have the ability to work as a strong and effective team player
- hold a commitment to developing the character of all our young people
- demonstrate perseverance, determination and resilience
- place international-mindedness and the promotion of the values and attributes of the "IB Learner Profile" at the core of their practice,
- build meaningful, equitable relationships to ensure learners have a sense of belonging, connectedness and appreciation within our learning community,
- acknowledge and develop learner agency and self-efficacy in the learning process,
- are passionate about their subject area

General Requirements for Teaching Positions

- Bachelor's or higher degree, plus a **recognized psychology qualification**
- A minimum of two years relevant educational experience

The successful candidate will join an international team of educators who are dedicated to fostering a caring atmosphere and committed to the well-being and social and academic progress of each learner.

Benefits

Berlin International School has a competitive, open and transparent salary scale. Details of the salary, relocation package and other benefits will be discussed during the interview process.

Application Process

- All applicants must apply via email: director@berlin-international-school.de
- Email subject line should indicate the School Psychologist position is being applied for and the applicant's first and last name
- Shortlisted candidates will be contacted and invited to an interview
- For an application to be considered, the applicant must provide a current CV (resume) with the contact details of 3 professional referees and a letter of introduction
- Any further documentation will be requested during the recruitment process if required.

Our School

Berlin International School is an IB World School offering the PYP in the Primary school and a bilingual international programme in the Secondary school, culminating in the IB Diploma Programmes as well as an accredited US High School Diploma. There are approximately 820 students in the Primary and Secondary school. Our students come from over 70 different countries and our faculty of 90 staff from over 20 countries. B.I.S. is located in two historic buildings set in a beautiful green suburb of Germany's capital city. We are fully authorized to run the IB DP and PYP, and are accredited by CIS and MSA-CESS.

Our Mission

We are a private, non-profit, non-denominational day school offering student-centered learning to international and local students from Grade 1 through university entrance preparation. We are a part of Stiftung Private-Kant Schulen gGmbH and play an active role in the life of this educational institution.

We are committed to promoting the values and attributes of the "IB Learner Profile" and the *Bildungs- und Erziehungsziele* in the State of Berlin, while facilitating an appreciation and respect of our shared humanity and diverse community.

We are student and learning focused.

Private Kant-Schulen Berlin

Our guiding objectives are

1. Provide challenging programs that support students in realizing their academic and individual potential.
2. Offer a curriculum that is local and global, develops conceptual understanding, has a particularly strong emphasis on inquiry and encourages academic excellence.
3. Encourage the development of thinking, communication, social, self-management and research skills.
4. Cultivate multilingualism with an emphasis on English and German language acquisition.
5. Ensure that students are able to work independently and as part of a team, in addition to having the opportunity to gain leadership experiences.
6. Innovate with technology to further enhance teaching and learning.
7. Support learning and program development through effective, deliberate assessment practices.
8. Facilitate opportunities that enhance social, intellectual, physical and creative competencies inside and outside the classroom.
9. Create a safe, supportive environment where the physical and emotional integrity of each member of our community is respected.
10. Develop awareness of our individual and collective responsibility to live sustainably.
11. Foster a shared partnership between students, families and the school.
