Respected BOS Members,

I wish to bring it to your kind notice that the Department of Civil Engineering has planned to organize Board of Studies Meeting to Review the UG, PG and PhD Curriculum to enhance the academics as per the requirement of New Age Industries. In this connection, we have scheduled a BOS Meeting on 30.08.2021 through MS Team Link. We request your goodselves to kindly participate and share your valuable suggestion to enhance the curriculum.

## **Minutes of meeting of the Board of Studies of the Civil Engineering Department**

At the outset, the Chairman, Dr. T. Senthil Vadivel welcomed all the members. The Board discussed the following agenda as permitted by the chair.

**Agenda No. 1: Revision of Syllabus for the Course “Transportation Engineering (ECE43105 & CEE11015)” in B. Tech in Civil Engineering 2019-20 and B. Tech in Civil Engineering 2020 -21 Curriculum.**

**Proposition:** Based on faculty feedback it was proposed to revise the Syllabus for the Course “Transportation Engineering (CEE11015)” in B. Tech in Civil Engineering 2019 - 20 and B. Tech in Civil Engineering 2020 -21 curriculum.

**Resolution:** The board appreciated the initiative and approved the said proposal.

**Agenda No.2: Revisiting and revision of Ph.D. Programme Course Work Syllabus (2019 – 20) of the Department of Civil Engineering under School of Engineering & Technology.**

**Proposition:** The BOS chair explained the requirement of revision of Ph.D. Programme Course Work Syllabus (2019 – 20) for the Course **Advanced Concrete & Chemistry** and the change of course code has been done based on the university procedure (**New Code: CEE31001**).

**Resolution:** The board unanimously accepted the said revision.

**Agenda No.3: Introduction and implementation of Value Addition Programmes in the Department of Civil Engineering under School of Engineering & Technology.**

**Proposition:** The BOS chair explained the essence of Value Addition Programmes and proposed following Courses to organize from 2021 – 22 academic year onwards for the students of B. Tech in Civil Engineering

1. Introduction to Building Planning and Modelling – 30 Hrs.
2. River Analysis and Modelling – 30 Hrs.
3. Environmental Monitoring and Pollution Control – 30 Hrs.

**Resolution:** The board appreciated the initiative and unanimously accepted the said implementation.

The meeting concluded with a vote of thanks by Head of Civil Engineering Department, Prof. (Dr.) T. Senthil Vadivel.

Issued By,

**Date: 30.08.2021**

**ACTION TAKEN REPORT OF BOARD OF STUDIES**  
**MEETING FOR A.Y 2020 – 21**

<b>S. No.</b>	<b>Observation from BOS</b>	<b>Action Taken</b>
1.	Transportation Engineering Course Revision	The revised Course has been implemented for the V Semester Students in the 2019-20 Curriculum and the classes are taking place in the current academic year 2020-21.
2.	Advanced Concrete & Chemistry Course Revision	The said Course Work has been allocated to 2020-21 Ph.D registered Candidate and the classes has started from September 2021.
3.	Implementation of Value Added Courses	<p>The Following Value Added Programmes have been started from the current academic year 2020-21 (Odd Semester) for different UG Batches and will continue to next academic year 2021-22. The schedules of Classes are available in the consecutive batch Time Table.</p> <ol style="list-style-type: none"><li>1. Introduction to Building Planning and Modelling – III Semester Students</li><li>2. River Analysis and Modelling – V Semester Students</li><li>3. Environmental Monitoring and Pollution Control – VII Semester Students</li></ol>
