

Polina Vasineva, PhD

Pronouns: She/Her

Email: vasineva@proton.me

ABOUT ME

Researcher of the Philosophy of Education and Political Philosophy. My main area of expertise is the historical and philosophical study of rationality and its reflection in contemporary political and educational processes. I also focus on Hannah Arendt's anthropology, especially her notions of political and political alienation in relation to modern education, as well as the concept of *Bildung* in Early German Romanticism.

WORK EXPERIENCE

Affiliated Researcher

Center for Independent Social Research (CISRus) [01/2025 - Present]

Washington D.C., USA

<https://cisorus.org/>

Research Fellow

Cornell University [01/2024 - 05/2024]
