From Principal, Mr. Logan...

Dear CMS families,

Ski Days: We wrapped up our final grade-level ski trip this past Thursday, and I want to extend a huge thank you to everyone who made these adventures possible. To our parent volunteers: we couldn't have done it without your energy and support on the slopes. To our teachers: thank you for the countless extra hours spent planning and organizing. Finally, we are incredibly grateful to Aspen Skiing Company and Challenge Aspen for their generous donations and discounted lessons, tickets, and rentals. It truly takes a village to ensure all our students can experience the thrill of the mountains!

8th Grade Health: If you are the parent or guardian of an 8th grade student, please read this [letter](#) explaining health content that will be delivered through science classes during the week of March 23rd. The letter also offers an opt out process for individual lessons. Please reach out to me if you have any questions.

Cookie Dough Fundraiser: Thank you to all the students and parents who helped with our cookie dough fundraiser that supports experiential education at CMS. All cookie dough products will be delivered to students at the end of the school day on Wednesday, March 18th for delivery to customers.

Michael Logan

CMS Principal

(970) 384-5701 • mlogan@rfschools.com • <http://cms.rfsd.k12.co.us/>

From Ms. Porter, Dean of Culture...

Thank you to WEB Leaders for putting on a great dance. Also, an extra special thanks to Jashine Wise, a CMS parent, who helped with the dance, along with Mr. Logan, Ms. Dameron, Ms. Hutchinson, Ms. Lindsay, and Ms. Silcox. It wouldn't have been possible without all of their help.

Our 8th Grade WEB Leaders will present to 7th graders on Friday, April 10 and then the WEB Leader Application for 2026-2027 will be officially open after that. So if you have a 7th grader, check in with them to see if they are interested in applying to be a WEB Leader next year.

Looking further ahead, we have Administrative Professionals Day (Ms. April, Ms. Alexandra, Ms. Denise, and Ms. Mayett) on April 22 and Bus Driver Appreciation Day on April 28. CMS CREW classes will create some thank yous for both of those days and if you have any thoughts or ideas on ways you would like to celebrate them, please reach out to me directly!

We have a lot to be thankful for here at CMS.

Sara H. Porter

CMS Dean of Culture

Counseling Corner

Time Management & Beating Procrastination

Time management means planning ahead and breaking tasks into steps. Help your student try using a timer, setting small goals, or creating a simple daily to-do list. Procrastination often comes from feeling overwhelmed, so breaking work into

smaller pieces can make it feel doable. With practice, students can learn how to manage their time more effectively and feel less stressed.

ROARING FORK
CYCLING

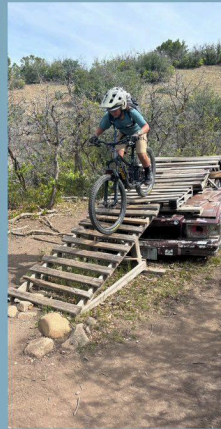

WHY CHOOSE RFC?

Roaring Fork Cycling is the premier cycling program in the valley, offering an unparalleled experience for riders of all levels. As the only program that provides **FREE** (just a \$45 admin fee) for **12 sessions**, we give young riders the opportunity to develop skills on the trails. We even have **bikes and helmets to borrow**. Whether tackling climbs or mastering descents, our expert coaches create a dynamic and supportive environment where every rider can grow. This Fall, our goal is a **50/50 ratio** of boys and girls, fostering inclusivity and fun while building confidence and a love for the sport. Roaring Fork Cycling is where the next generation of riders takes off!
