About Event

World Environment Day is the United Nations day for encouraging worldwide awareness and action to protect our environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment.

We are delighted to invite you to participate in the Pot Painting Competition being organized on the occasion of World Environment Day 2023. Join us as we celebrate this global event and showcase our creativity while promoting environmental awareness.

Venue & Date

Date: 5 June, 2023

Time: 11:00 AM to 1:00 PM

Venue: D Block Lecture Theatre First Floor

Here are a few important details:

Materials: We will provide clay pots and participants have to bring their own colours and brushes.

Prizes: Exciting prizes will be awarded to the top three winners, recognizing their exceptional creativity and dedication.

Guidelines: The artwork should be completed within the given time frame.

Entry free and certificate will be provided to all the participants

Let's come together and create a memorable experience while making a positive impact on our environment. Spread the word and bring your creativity to life on World Environment Day!
