Hey Guys,

It was good speaking with most of you today. I enjoyed discussing your projects and it was nice to touch base one on one after all this time.

Remember to send progress drawings and sources as you work on these drawings so that I can respond to their progress and help them develop.

If you missed your meeting today **please email me** so that we can reschedule for Wednesday.

If you need any additional discussion, feedback, or need help with something email me please feel free to write as well and I will schedule you in for Wednesday as well.

I hope you are all doing as well as possible in our present climate.

We'll talk soon.

Best,

A
