

Fiction (LYRICS) - *fake*. NmMindstorm (feat. Cailyn)

WILL

It's official, this concert is  
going to be the best!

MAYA

I am so excited, I can't even tell  
you! I know you're famous and all.  
But to someone like *me*, this is  
just... unreal

WILL

I- uh- wait, what do you mean to  
someone like you?

MAYA

Before this... I guess I felt  
invisible. I try to act all  
optimistic about everything, but I  
just feel like there's always this  
part of me that's telling me... to  
stop trying for other people if  
they never have for me... like maybe  
I should run away... But I don't,  
cus... I know how it feels to be  
abandoned like that, and if  
there's even anyone who remotely  
cares about me, I can't do that to  
them.

WILL

I ca-

MAYA FAMILY MEMBER

(From background)

Millie, could you let the dog in  
the house?

MAYA

(Under her breath)

That's for me...

MAYA goes to let in the dog

WILL

Isn't your name Maya?

MAYA

Yep.

While MAYA's away letting in the dog, Will begins looking at her bookshelf, and is impressed with how much she reads. Eventually, MAYA returns

MAYA

Oh, haha yeah I tend to read a lot.

WILL

You're basically Matilda.

MAYA

Well, I've got the parents for it.  
Just waiting for those magic powers,ahaha  
Do you like books?

WILL

In a way...

MAYA

Finding time to read, and write songs, and that kind of thing has always been a way for me to clear my mind. I can just immerse myself in a different story when my real one gets... tiring

WILL

I just felt that. I mean, I- I use my songs the same way. It's like I

can write exactly how I feel, and I don't have to worry about judgment. The world is anything I want it to be...

MAYA

Exactly!

MAYA pauses for a moment, and looks at Will

MAYA (CONT'D)

...Hey, so, uh, do you remember when we put up the fliers... before you left?

WILL

Oh, when we... I- yeah, I remember, yeah

MAYA

How... did you feel about that?

WILL

I liked it, yeah, well y'know, I would have. How, uh... how did you feel?

Maya smiles

MAYA

Same here.

The two of them kiss. Music starts playing

WILL

This feels too good to be true.. Not too long ago, I was a total no one... You probably don't believe that, bu-

MAYA cuts him off and puts her hand on his shoulder

MAYA

Hey... I get it.

I assumed that people didn't care  
My life would slip away, and I'd  
get left behind  
But finally I feel like someone's  
there  
Could you be the escape... I never  
thought I'd find?

WILL

I was sure my story wouldn't  
change  
I'd get to turn the page, but  
never have the pen  
But with you I no longer feel so  
strange  
Now I don't have to be that nobody  
again

WILL AND MAYA

Is this just a fairytale I never  
want to end?  
Romances I've read like this have  
always been pretend...

WILL

I'm like Greg and you're my Holly  
Hills

MAYA

You're Lewis, and I'm Kit

WILL

Is this how they feel?

WILL AND MAYA

Is this some sick illusion?

Is this fiction? Is this real?

Will you still be there when I  
move on to the next chapter?  
Promise you won't let go, I'm  
scared of what comes after

Is this in my head?  
Am I still in bed?  
Am I dreaming?

Is this just a fairytale I never  
want to end?  
Romances I've read like this have  
always been pretend...

WILL

Maybe this is everything it seems  
Not fiction or a dream  
Just you and me
