

# Phase 3

## Spheros

Purpose	Spheros introduce students to coding with an app and a robot. The app will run on iPads or Chromebooks (iPads are recommended).
Image	 The image section contains three photographs. On the left is a product shot of three Sphero robots, which are small, spherical, transparent robots with blue eyes and internal components. On the right are two photographs showing students in a classroom setting. The top photo shows two boys, one in a green shirt and one in a black shirt with an orange vest, kneeling on a carpeted floor and looking at a tablet. A Sphero robot is on the floor between them. The bottom photo shows a group of students and an adult teacher sitting on the floor, looking at a tablet and a Sphero robot. A checkered track is laid out on the floor.
Website	<a href="https://store.sphero.com/collections/education">https://store.sphero.com/collections/education</a>
Cost	<a href="#">\$1199.00 for a set of 12 Sphero SPRK+</a> <a href="#">\$49.99 Charging Hub</a>
Other	You may want to purchase <a href="#">covers</a> for the Spheros if you plan to allow students to paint with them.
Resources	 The resources section contains two logos. On the left is the 'CAPO Innovation Sphero Lesson' logo, which features a lightbulb icon and the text 'CAPO Innovation' above a photo of students in a classroom, with 'Sphero Lesson' written below. On the right is the 'Teacher Tips' logo, which is a blue circle containing a white stylized face with a hand pointing to its eye and a code symbol '>'.
