

Regulating Alien Infrastructure Liabilities Act

A.037

17/02/2025

PREAMBLE

This act shall hereby proscribe any and all international OneDest connections to the City of Pavia International Rail Station.

SECTION I: REGULATIONS

1. Regulating Rail Lines
    a. No OneDest line that connects to the international network shall be constructed or maintained within the City of Pavia International Rail Station.
        i. A legacy access Lodestone shall be established to maintain the connection for those who desire it.
    b. The government of the Empire of Pavia-Griffin retains the right to establish internal OneDest infrastructure within the boundaries of the Empire and larger Lyrean Commonwealth, as long as this infrastructure does not connect to the international network.
    c. The current OneDest line shall be immediately decommissioned and its platform allotted to a new direct rail.

SECTION II: ENACTMENT

1. This act shall take action immediately upon its signature by the Prime Minister.
