Student Engagement Fee

The Student Engagement Fee (SEF) of $40, helps KCSS provide a wide range of opportunities that support student interests, well-being, and engagement.

The SEF is a one-time fee for the school year and is required for students who wish to participate in extracurricular activities such as clubs, athletics, and other school-based programs. Students who have paid the SEF may also receive discounted pricing for select school events.

Funds collected through the SEF help support and subsidize student activities, events, and initiatives that take place before school, at lunch, and after school, including many organized by Student Council. These opportunities help build school spirit, foster inclusion, strengthen community connections, and enrich the student experience beyond the classroom.

The allocation of SEF funds is managed by the Student Council in collaboration with staff advisors and school administration.

The Student Engagement Fee can be paid through School Cash Online.

Get Your Walk On – Celebrate IWALK Month - October

October 7th marks the official start of International Walk to School Month (IWALK).
IWALK is an annual mass celebration of active transportation that takes place around the world throughout the month of October.
A little movement goes a long way. Walking, wheeling, or cycling to school helps children boost their concentration, sharpen their memory, and feel ready to take on the day. Plus, every active trip helps create a greener and healthier community.
Even if you live too far to walk to school, you can still participate in IWalk Month by parking a few blocks away from the school and walking the last 5 minutes.
Let's make this October a WALKTOBER! All students and families are encouraged to walk/cycle as often as possible!

Women's History Month - October

In 1992, the Government of Canada proclaimed October as Women's History Month. This month is dedicated to honour and recognize girls and women of the past, present and future who work collectively to create inclusive and equitable environments.

2SLGBTQIA+ Month - October

The month of October commemorates and celebrates the impact that Two Spirit, lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual and individuals with related identities have had in our local communities, nationally and internationally. 2SLGBTQIA+ people have not only existed, but been active contributors in fields including (but not limited to) medicine, the arts, and social justice, despite the intentional erasure of their identities from these histories. This month is an opportunity to build awareness of the contributions the 2SLGBTQIA+ community has made in Canada and abroad.

Islamic Heritage Month - October

October is Islamic Heritage Month. The Government of Canada declared the month of October as Canadian Islamic History Month in 2007. In 2016, Ontario passed the Islamic Heritage Month Act to recognize, celebrate and affirm the significant contributions that Muslims continue to make as part of the vibrant social, economic, political and cultural fabric of this province.

This year's Islamic Heritage Month (IHM) theme is The Art and Legacy of Islamic Calligraphy. For more information about IHM's theme visit: https://www.islamichistorymonth.ca/

Latin Heritage Month - October

The month of October is Latin American Heritage Month. As proclaimed by the Government of Canada, October is a month to recognize and celebrate the significant contributions of the Latin American community to the social, economic and political fabric of the nation.

Latin American heritage and identities are vast, diverse and intersectional. People with Latin heritage and of the diaspora may come from Spain, Mexico, Central and South America, and the Caribbean.

Each year, during October, people of Latin heritage around the world come together and pay tribute to their shared culture, experiences and histories. Such celebrations around the globe include Hispanic Day (Dia de la Hispanidad), the Day of the Cultures (Dia de las Culturas), Day of the Race (Dia de la Raza), Day of Respect for Cultural Diversity (Dia del Respeto a la Diversidad Cultural) and Day of Indigenous Resistance (Dia de la Resistencia Indigena).

Hungarian Heritage Month - October

The month of October is Hungarian Heritage Month as proclaimed by the Legislative of the Province of Ontario in 2022. After the Hungarian Uprising on October 23, 1956, Canada welcomed over 37,000 Hungarian refugees. Since then, Canada is now home to more than 350,000 Hungarian-Canadians. The Hungarian-Canadian community has made and continues to make significant contributions to cultural, social, and political fabric.

Korean Heritage Month - October

The month of October is Korean Heritage Month as proclaimed by the Legislative Assembly of the Province of Ontario in 2017. Ontario is home to approximately 80,000 Korean Canadians. The migration of Koreans to Ontario began after the Second World War (1939-1945) and Korean War (1950-1953).

Korean Canadians have and continue to make important contributions to the economic, political, social and cultural fabric of Ontario's society.
