

# How Do I Find My Online Work So I Can Start Working?

This is how you access your work inside your course (courses shown aren't necessarily your courses, just examples):

To login, go to <https://utahonline.org/login/> to log in.

Click on the Edgenuity option:

In the box that looks like the one below, enter your username and password. This information was sent to you in an email. If you cannot see it, check your spam and junk folders.

The image shows a login form for the 'Student Information System'. The title 'Student Information System' is at the top in a large, blue, sans-serif font. Below the title, there are two input fields: 'Login:' and 'Password:'. To the right of the 'Password:' field is a blue button labeled 'Enter'. Below the 'Enter' button is a link that says 'Forgot your login and/or password?'. To the right of the login fields is a blue square containing a white play button icon. Below this square is a link that says 'Watch the orientation video'. At the bottom right of the form is the Edgenuity logo.

Your dashboard will then be opened:

Next Activity

Each time you log in to work, click on NEXT ACTIVITY and it will take you to your work.

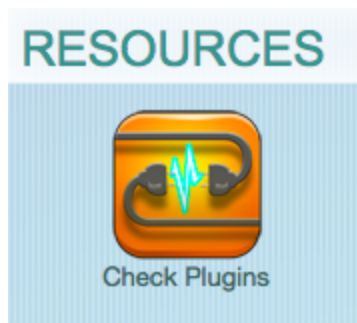

If you have trouble with any activities working or if you can't see the videos, go to the orange Organizer button at the top right corner of your screen:

Select Resources:

then Check Plug-Ins:

This will update your computer with what it needs to run your course.

It may also help to try a different browser. Chrome is recommended. Make sure it is the most current version.

You can also try clearing the browser cache. [Click here for instructions](#) for many browsers/operating systems.
