Title (Assunto):

PROTECT JIMIN FROM SLANDER

Contents (Escrever sobre):

Hello Big Hit,

It has come to our attention that a French Wattpad profile wrote a fanfiction portraying Jimin from BTS as a harasser. This story was published online, and the author has sold physical copies of the book. Although the title has been changed, the book is still being promoted under its original name on various platforms. The work has gained significant engagement, further intensifying the defamation and contributing to the spread of hate against the artist. Addressing this situation has become a significant challenge due to the widespread visibility and attention the story has garnered.

Sincerely,

ARMY.
