1.

Suspend collaboration with Belarusian universities whose rectors are on the list of EU sanctions due to repressions against students and professors: Belarusian State Economic University, Belarusian State Academy of Arts, Belarusian State Medical University, Brest State Technical University.

Cooperate with independent university workers' unions! Do not support university administration participating in repressions!

3.

Your university collaborates with the Belarusian university where professors are fired and students are arrested due to the rector's order. EU has already approved sanctions against people from the university administration, now it is your turn to protect Belarusian students!
