

THERAPIST

HopeWorks, a well-established, not for profit Agency that has been providing comprehensive services to the Homeless population in Albuquerque for the past 41 years, is seeking a Licensed Clinical Social Worker (LCSW) holding Independent Licensure in the State of New Mexico to provide clinical services and professional supervision to non-independent licensees (e.g., LMSW, LBSW). LCSW will deliver high-quality therapeutic services, maintain compliance with state licensing standards. This position will provide therapy and counseling to clients in Outpatient, Assertive Community Treatment (ACT), and as-needed areas within HopeVillage; in one on one and group settings. Master's degree in counseling, social work, psychology, or a related field is required as well as LPCC, LCSW, LMFT, LMSW, LMHC; Independent preferred, but other licenses will be considered. Experience with homeless issues, substance abuse, severe mental illness, and the ACT model in addition to competitive compensation, HopeWorks also provides the following benefits to all active employees:

- 403(b)
- Dental insurance
- Employee assistance program
- Health insurance
- Life insurance
- Paid time off
- 13 paid holidays, including birthday
- Parental leave
- Student loan forgiveness
- A highly rewarding and fulfilling work environment
