

March 29, 2019

Dear Parents,

Our first auction was a huge success with the students! Since then, the children have been eagerly saving coupons for our second annual.

Our next auction is scheduled for the week before April vacation. Its success depends on contributions from parents. If you can donate items for this auction, we would greatly appreciate it. Ask your child about what popular items caused the most bidding. Here are additional ideas: gift cards, gadgets, movie theater tickets, art supplies, posters, stuffed animals, 'koosh' toys, cars, Frisbees, silly putty, special pens, craft goods, etc. Items can be brought in by your child anytime up to April 15th.

We thank you in advance for your help and support. Enthusiasm is already growing for Auction Day!

Warm regards,

Melissa Coviello & Barb Auch
