Staple San Diego Native Plants by Seasons

- *Prunus ilicifolia ilicifolia*, Hollyleaf Cherry
- *Heteromeles arbutifolia*, Toyon
- *Sambucus cerulea*, Blue Elder
- *Ferocactus viridescens*, Barrel Cactus
- *Mammillaria dioica*, Fishhook Cactus
- *Cylindropuntia sp.*, Cholla
- *Salvia mellifera/apiana*, Black/White Sage
- *Bahiopsis laciniata*, San Diego Sunflower
- *Encelia californica*, California Sunflower
- *Ceanothus*, Ceanothus
- *Astragalus trichopodus,* Locoweed
- *Diplacus puniceus*, Red Monkeyflower
- *Dudleyas* (Chalk D., Lanceleaf D., Ladyfingers)
- *Eriophyllum confertiflorum*, Golden Yarrow
- *Mirabilis laevis*, Wishbone Bush
- *Leptosyne maritima*, Sea Dahlia
- *Solanum xanti/parishii*, Purple Nightshade-Spring
- *Camissoniopsis/Camissonia*, Suncups
- *Cryptantha*
- *Eulobus californicus*, California Primrose
- *Phacelia*, Scorpionweeds
- *Pseudognaphalium*, Cudweeds
- *Sairocarpus*, Snapdragons
- *Calochortus splendens*, Splendid Mariposa Lily

- *Malosma laurina*, Laurel Sumac
- *Opuntia sp.*, Pricklypear
- *Eriogonum fasciculatum*, California Buckwheat
- *Ceanothus*, Ceanothus
- *Malacothamnus fasciculatus,* Chaparral Bushmallow
- *Asclepias fascicularis,* Narrowleaf Milkweed
- *Dudleyas* (Chalk D., Lanceleaf D., Ladyfingers)
- *Calochortus weedii*, Weed's Mariposa Lily

Others (variable)

- *Euphorbia misera*, Cliff Spurge
- *Peritoma arborea*, Bladderpod
- *Acmispon glaber*, Deerweed
- *Heliotropium curassavicum*, Alkali Heliotrope

- *Isocoma menziesii*, Goldenbush
- *Baccharis salicifolia/pilularis*, Broom Baccharis/Coyote Brush
- *Ceanothus*, Ceanothus
- *Corethrogyne filaginifolia,* California Aster
- *Deinandra fasciculata*, Slender Tarweed
- *Epilobium canum*, California Fuchsia
- *Stephanomeria*, Wirelettuce

- *Rhus integrifolia*, Lemonade Berry
- *Artemisia californica*, Coastal Sagebrush
- *Ceanothus*, Ceanothus
- *Rhamnus crocea*, Redberry Buckthorn
- *Corethrogyne filaginifolia*, California Aster
- *Deinandra fasciculata*, Slender Tarweed
- *Stephanomeria*, Wirelettuce
- *Heterotheca*, Telegraphweed
- *Epilobium canum*, California Fuchsia

Staple San Diego Native Plants by Type

Large shrubs: *Rhus integrifolia*, Lemonade Berry (winter: Jan-Feb), fruit spring through summer/ *Prunus ilicifolia ilicifolia*, Hollyleaf Cherry (spring), fruit summer/ *Heteromeles arbutifolia*, Toyon (spring), fruit in December-Jan/ *Malosma laurina*, Laurel Sumac (late spring/summer), fruit late summer to fall/ *Sambucus cerulea*, Blue Elder (spring), fruit through summer.

Cacti/Succulents: *Ferocactus viridescens*, Barrel Cactus (spring)/ *Opuntia sp*., Pricklypear (late spring)/ *Mammillaria dioica*, Fishhook Cactus (early spring)/ *Cylindropuntia sp*., Cholla (spring)/Dudleyas (Chalk D., Lanceleaf D., Ladyfingers) - (late spring to summer).

Staple shrubs: *Artemisia californica*, Coastal Sagebrush (winter: Nov-Jan)/ *Eriogonum fasciculatum, California Buckwheat* (summer)/ *Isocoma menziesii*, Goldenbush (fall)/ *Salvia mellifera* or *apiana*, Black or White Sage (early to late spring)/ *Bahiopsis laciniata*, San Diego Sunflower (spring)/ *Encelia californica*, California Sunflower (spring)/ *Baccharis salicifolia* or *pilularis*, Broom Baccharis or Coyote Brush (fall)/ *Ceanothus sp*. (Varies depending on species)/ *Euphorbia misera*, Cliff Spurge (varies, can be blooming for over 6 months in a single year)/ *Peritoma arborea*, Bladderpod (varies, can be blooming for over 6 months in a single year)/ *Rhamnus crocea*, Redberry Buckthorn (winter: Jan-Feb)/*Malacothamnus fasciculatus,* Chaparral Bushmallow (summer).

Semi-annual herbaceous: *Corethrogyne filaginifolia*, California Aster (summer to into fall)/ *Acmispon glaber*, Deerweed (varies, can be blooming for over 6 months in a single year)/ *Astragalus trichopodus*, Locoweed (spring)/ *Deinandra fasciculata*, Slender Tarweed (summer to fall)/ *Leptosyne maritima*, Sea Dahlia (spring)/*Diplacus puniceus*, Red Monkeyflower (spring)/ *Dudleyas: pulverulenta, lanceolata, edulis*, Chalk Dudleya., Lanceleaf D., Ladyfingers (late spring)/ *Eriophyllum confertiflorum*, Golden Yarrow-(spring)/ *Mirabilis laevis*, Wishbone Bush (spring)/ *Solanum xanti* or *parishii*, Purple Nightshade (spring)/ *Heliotropium curassavicum*, Alkali Heliotrope (varies), *Calochortus weedii*, Weed's Mariposa Lily (summer)/ *Calochortus splendens*, Splendid Mariposa Lily (spring).

Annuals: *Camissoniopsis*, Suncups (spring)/ Cryptantha (spring)/ *Eulobus californicus*, California Primrose (spring)/ *Phacelia*, Scorpionweeds (spring)/ *Pseudognaphalium*, Cudweeds (spring)/ *Sairocarpus*, Snapdragons (spring)/ *Stephanomeria*, Wirelettuce (fall)/ *Heterotheca*, Telegraphweed (fall)/ *Epilobium canum*, California Fuchsia (fall).
