

Dear Auburn Families,

We are excited to share information about the upcoming ASD Choral Bridge Concert! The Bridge Concert is a tradition that has been part of the ASD choral program for over twenty years. The goal of this event is to create excitement while encouraging 5th and 8th-grade students to continue their participation in choir during middle and high school.

The ASD Choral Bridge Concert has two parts: A daytime workshop/rehearsal and an evening performance.

Daytime workshop/rehearsal - **for students only**.

- Elementary and middle school students will participate in a daytime workshop/rehearsal led by high school choir students and choir teacher. The workshop/rehearsal will take place at the Performing Arts Center at Auburn High School.

Evening concerts - **for families and community**.

- Each evening concert will begin at **6:30 pm** and will take place at the Performing Arts Center at Auburn High School, **702 - 4th Street NE, Auburn WA 98002**. Concerts will last 1 hour. Please join your school on the following dates:
