TECH TIP
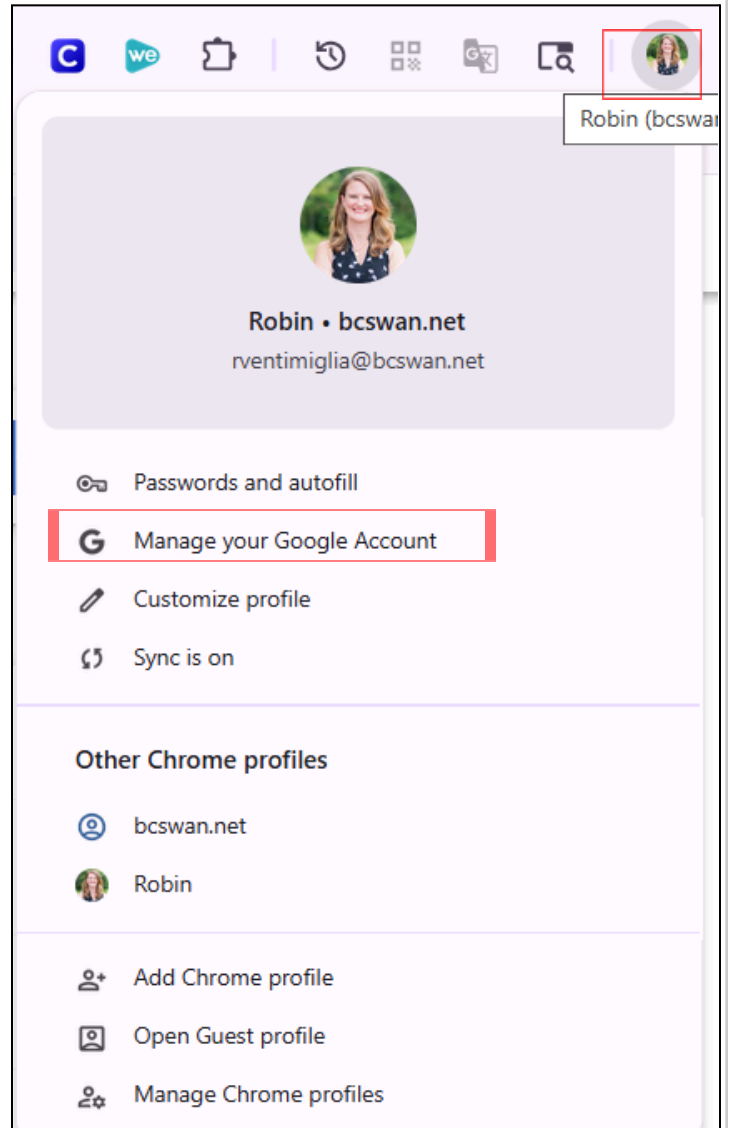

## Signing Out of Multiple Devices

1) Open any Google Workspace

2) In the top right, click your profile photo.

3) Click **Manage your Google Account**

4) Click **Security**

5) Scroll down to **Your devices,** Click **Manage all devices**.

You can always find the BCS Tech Tips here. Please feel free to provide additional suggestions for future Tech Tips.

6) Choose a device, click on the right arrow to view details.

7) If a sign in seems concerning or unnecessary, click **Sign out.**
