

Chhinnasandra and Kuruburu Village Visit Report

Village Name: Chhinnasandra and Kuruburu
Chintamani Taluk,
Chikkabellapur District,
Karnataka State.

Faculty Team: Prof. Pappa M
Dean - Mentoring & Initiatives, Professor & Head, Dept. of ECE,
Prof. Meenakshi Patil , Professor, Dept, of ECE,
Prof. Keka Mukhopadhyaya, Asst. Professor, Dept of ECE,
UBA Coordinator (CMRIT)

Date of Visit: 31st October 2025

As part of the Unnat Bharat Abhiyan (UBA) initiative, staffs and students from various engineering fields of CMRIT implemented two projects Chhinnasandra and Kuruburu, Karnataka, adopted by CMRIT under UBA schemes. The visit was to deploy Science and Electronics DIY kits in government school in above mentioned two villages.

In setting up science lab and electronics experiments Dr. Meenakshi Patil took initiative in Chhinnasandra village, whereas Dr. Pappa M took initiative in Kuruburu village. CMRIT students demonstrated their self-developed kit among students of the school to encourage them to explore theoretical knowledge in practical life. Almost 25 projects are developed among them few are Smart water irrigation system, Fire Detection Alarm etc.

Few moments are captured below:

Prof. Keka Mukhopadhyaya
UBA coordinator, CMRIT
