**Vietnam - Japan Youth Exchange 2024**

**(Duration: June - August 2024)**

## **1. ABOUT THE PROGRAM:**

### **1.1 About UEH**

The University of Economics Ho Chi Minh City (UEH) is now a multi-disciplinary university with various levels and modes of education and a strong desire to cooperate with domestic and foreign universities. UEH gradually integrates into the international academic and scientific network and creates a workforce that meets national demands.

UEH is a national key public university and is in the Top 301-400 universities worldwide contributing to the UN's 17 Sustainable Development Goals (17SDGs) according to the Times Higher Education Impact Rankings. UEH is in the Top 401+ Best Universities in Asia according to QS Asia Ranking 2024.

By 2030, UEH will become a sustainable and multidisciplinary university with an academic reputation in Asia. UEH commits to enhance and elevate knowledge acquisition, breed young talents in the age of globalization and integration while pioneering in innovation and public services.

UEH would like to convey our message on the sustainable development journey through the slogan "Unbounded creativity. Empowered futures. Holistic values." Comprising a three-part structure with simple and easy-to-understand language, this UEH slogan is a firmly strong affirmation of UEH development values.

### **1.2 About TKU**

Tokyo Keizai University, also referred to as the Tokyo University of Economics, is a private university located in Tokyo, Japan. The university was initially founded in 1900 and was previously named Okura Commerce School. It became Tokyo Keizai University in 1949, after a few name changes.

It offers undergraduate and graduate courses in management and economics. Students can take a number of different courses within these disciplines ranging from marketing and distribution to communication studies and contemporary law.

Tokyo Keizai University is recognised for its extensive industry-related collaborations. The university also has partnerships with academic institutions across the world such

as the University of International Business and Economics (Shanghai), Pace University (New York), National University of Malaysia, University of Western Sydney, (Australia) Foreign Trade University (Vietnam) and many more.

### **1.3 UEH – TKU Collaboration and Vietnam - Japan Youth Exchange 2024**

This exchange program is designed for Vietnamese students from the University of Economics and Japanese students from Tokyo Keizai University, hoping to enlarge cooperation dealings and friendly relationships between the two universities.

Following the success of VJYE 2023, Vietnam-Japan Youth Exchange 2024 (VJYE 2024) aims to expand students' understanding in many fields, especially the 17 Sustainable Development Goals (SDGs) of The United Nations and Japanese culture through the exciting new theme: **"From Theory to Practice: Road to SDGs"**

## **2. OVERVIEW:**

This program has been implemented for many years with many students from many countries and universities in the world. This year will be the collaboration between TKU and UEH. You do not need to be excellent in English or Japanese. This is an opportunity for students who do not even excel in English or Japanese. We appreciate students who are really passionate about joining the program and want to improve their communications skills. Moreover, this program encourages those who are really enthusiastic and want to know more about Japanese cultures.
