

SCOTTISH TRAVEL & TOURISM SERVICES

My name is Ian Finlayson, I am the owner of Scottish Travel & Tourism Services. I have had the privilege of knowing and working with John Sabol for over 25 years. I look after his group travel to Scotland & England. Sourcing accommodation, advising on itineraries etc and have done so for over 25 groups. I find him a very professional and dedicated person. He has a very high expectation of people like myself who work with him demanding and expecting a very high standard. Between us we have always strived to get the absolute best for everyone who uses his services.
