

Hey [Name],

You're probably wondering how to make your business blow up without the risk of losing them once the trend is over.

Have you heard of Davys' Curse?

Don't worry, yes it's a curse but not for you. It's for your competitors.

Davys' Curse has the potential to win customers back with business improvements,

Such as outreach emails, website polishing, user interaction, social media posts and lots more.

It's a step-by-step process but don't worry, you can relax the whole time while I implement these improvements to [Company].

I made a [FV] to show you how far Davy's Curse can take your brand.

[Explain What The FV Provides]

Are you interested in getting all of Davys' Curse? Let me know so we can plan out how to make Davys' Curse the most effective for [Company]!

Always the Best!

JJ Zayndeellani
