Abstract (Goudy Old Style, bold, 11pt)

Abstract: Abstract is written in one paragraph that includes five things: (1) Research purposes, (2) Method, (3) Findings/results, (4) Conclusion, (5) Academic contribution. The author can also include essential points in this abstract, while keeping the word limit to 150-250 words.

Keywords: contains special concepts (3-5 words/ phrases)

INTRODUCTION (Goudy Old Style, Bold, 12pt)

The introduction is written in Goudy Old Style, size 12, with 1.5 line spacing. The introduction should contain (1) General academic or background anxiety. (2) Previous literature review (state of the art) as a basis for scientific novelty statements of the article to justify the novelty (there must be references to journals published in the last 10 years. No "library review" is allowed in research reports

(thesis, thesis and dissertation), but [illegible] as a review of the previous literature. (3) Gap analysis, a[illegible]r novelty statement, or the unique difference of this [illegible]s studies, or in terms of the importance of the research, or comparison of uniqueness with previous research. (4) Reserch Question, the problem must be clear and requires research to solve the problem. For Arabic writing or Qur'an verses, the Traditional Arabic font size is 16. Foreign-language words or phrases are written in italics, while Arabic-Latin transliteration refers to Arabic-Indonesian transliteration according to SKB 3 Menteri. The body of the paper must be elaborated between 5000 - 10.000 words (maximum), including abstract and references.

METHOD (Goudy Old Style, bold, 12pt)

This method is written in a descriptive style and should provide a statement regarding the research methodology, including the type of research, research approach, data source, and analysis method. The author should explain the mechanism for analyzing the Sharia issues. This method, as much as possible, gives the reader an idea of the method used; it is optional and only for an original research article. **(For Conceptual Ideas without Research Method)**.

RESULTS AND DISCUSSION (Goudy Old Style, bold, 12pt)

The discussion contains theories that assist researchers in analyzing data to make a summary or synopsis of the data and relationships, and to suggest trying new things or even giving birth to new theories. There are at least three functions of theory that have been agreed upon by scientists, namely: (a) describing, (b)

explaining, and (c) predicting. Th ansliteration refers to the Arabic-Indonesian transliterati l Decrees.

The discussion also cont results.

This chapter contains research findings and discussion (can be described in sub-chapters). Write down the findings obtained from the results of research that have been carried out, and adequate data must support them. Research results and findings must address the questions/problems and be consistent with the research objectives outlined in the introduction. If there is a table, it is written in the following format:

CONCLUSION (Goudy Old Style, bold, 12pt)

Closing contains conclusions and suggestions (if any). It should be written in paragraphs, not in numeric or bulleted lists. The conclusion describes the answers to research questions/problems and/or the research objectives or findings obtained. The conclusion does not repeat the results and discussion, but rather summarizes the findings, as expected in the objectives or hypotheses. Suggestions present tasks related to further ideas from the research.

ACKNOWLEDGEMENTS (Goudy Old Style, bold, 12pt)

Intended to pay gratitude to sponsors, fund bearers, resource persons, and other parties that have important roles in the study. The writer needs to obtain permission from individuals or institutions before mentioning them in the acknowledgements. Editors need not be acknowledged in writing.

AUTHOR CONTRIBUTIONS STATEMENT (Goudy Old Style, bold, 12pt)

The Author Contributions Statement can be several sentences long and should briefly describe the tasks of each author. Please list only 2 initials for each author, without full stops, but separated by commas (e.g. JC, JS). In the case of two authors with the same initials, please use their middle initial to differentiate
