## **GUIDANCE NEWS**

All seniors, please bring in any acceptances, scholarships, and awards you have received from your college or universities to the Guidance Office. We would like to place your name on the flags in the hallway to celebrate your good news!

**Scholarship** applications are available on The Scholarship Google Classroom. Please frequently check as new ones are posted as we receive them. Return all completed applications to the Guidance Office by the deadline. Be mindful of the deadline posted on Google Classroom, NOT on the application form.

**Junior Meetings:** We look forward to meeting with the parents of the class of 2024 as we discuss course selections for senior year in addition to post-secondary plans.

**Scoir:** Scoir is the web-based college and career-planning tool we use at Point Beach High School. It is a one-stop resource where students and parents can access a wealth of information to help aid in the college and career process. Don't forget to take advantage of this tool!!

We will be giving away door prizes as well!
