

Holy Spirit Dwelling in Us, Father Who's Always For Us, and Emmanuel With Us, We Deeply Love You. Thank You for your Unconditional Love and Light.

You told us You are light; that in you there is no darkness at all. That your light shines in the darkness, and the darkness cannot overcome it. God, you told us that darkness is not dark to you; that even the night shines like the day. And because Jesus, the Light of the World came into the darkness - that we are like children of light. That we are like lamps.

Thank You Triune God for your warm glow that warms our hearts and gives us hope in the dark cold times of our lives and world. We acknowledge your unwavering delight in us and your presence here and now in our heart of hearts. Thank you for forming and knowing us as Your Beloved.

Our Good God, you know that disorienting darkness and death often envelope your little ones, these precious children. We acknowledge and deeply thank the Light-Bearers, the Advocates here, who show up to expose your healing light into the dark places where these little ones' live. Thank you for these persevering advocates, and for their families and church families whom they love and are loved by.

We pray that each one of them gives you permission to shine your healing light on the dark and hidden places of their life; maybe it's their family of origin, marriage, parenting, work, and/or friendships. We pray that through your gracious healing touch lies of the enemy are broken from their spirits and truth reigns and restores their soul and increases their energy. We thank you, for as these lamps experience ongoing healing in relationship with you, their light of Freedom shines brighter on the Lampstands of their community and in their church bodies. We Declare through Your advocates, that not only a percentage of kids from hard places get to be in Loving Christ-centered homes surrounded by Care Communities, but that one day All, and we mean All, of your children will be.

We trust you God that you did not make a mistake when you shed your earthly body to establish your spiritual body, us, the Church, Ekklesia. As a united front for an advancing Kingdom, under your command as King, we can and will care for your children. Thank you God for our General-Promise 686, our Captains- the Affiliates, our Lieutenants- the Advocates, and our foot soldiers- the Care Community members. We pray that because this Family of Lamps, these Troops, Shine, more than enough Advocates will rise up and let their Lights Shine. Until the Lamps on Lampstands throughout our Communities and States Collectively Shine on Every child in the House of this country and beyond. Until There's More Than Enough. We boldly pray for 450,000 Care Communities to rise up. So that the world may know you sent our Friend, Servant and Savior Jesus.

Thank you Advocates, for leading and giving us hope that we can and will do this together.

Let's pray for the souls of our advocates; past, present, and future.
