

ACTIVITIES INTRODUCTION OF “CRESCENT” LLC CUSTOMS BROKERAGE

Our company was registered in the State Register on January, 30, 2015 and started operating.

Our main types of operations;

- Foreign trade
- Travel
- Customs brokerage

Customs brokerage activities

“Crescent” LLC has been exclusively engaged in customs brokerage since its establishment.

It has been continuously operating in this field since it was granted a “Customs brokerage special licence” by order №.220 of 2015 of the Minister of Finance and was certified by the “Customs Brokerage Activity Certificate” of the head of the General Department of the Customs.

The future plan of Customs Brokering activities of “Crescent” LLC is to introduce international service trade as a benchmark for similar service providers.

“Crescent” LLC works in the form of combination of foreign trade consulting services and customs brokerage activities with professional team when conducting customs brokerage activities.

We are our client’s partner at all stages before and after customs clearance. In accordance with the rights granted to us by the contract, we act as a representative contractor on behalf of the client in all foreign trade process.

Types of customs broker services;

- Suggest about foreign trade
- Project development and implementation
- Advice on customs and tax legislation of Mongolia
- Preparation of documents prior to the declaration of goods to the customs authorities
- Copying customs declarations for export and import goods
- Rewriting the transport manifest
- Determining the quantity of goods to be notified
- Predetermine the code of the commodity category HS
- Pay customs and other taxes, fees and charges behalf of the client
- Guarantee payment of customs and other taxes from the commercial bank
- Have a professional organization conduct a preliminary examination of the goods to be brought across the state border
- Other works and services provided by the client's power of attorney.
