VOYNO-YASENETSKY OF THE MINISTRY OF HEALTH OF THE
RUSSIAN FEDERATION**

MINISTRY OF HEALTH OF KRASNOYARSK REGION

SCIENTIFIC PROGRAM

International Congress on Respiratory Support, 2025

September 3–5, 2025

Website: congress-kr.ru

Krasnoyarsk, 2025

DEAR COLLEAGUES!
**PLEASE NOTE THAT ALL EVENT TIMES ARE
INDICATED IN LOCAL TIME (Krasnoyarsk)**

September 5
Angara Hall

13:30–15:00

Section 1. Respiratory support in hypoxemic ARF. Part 5

Moderators: Gritsan A.I., Giacomo Bellani, Lorenzo Ball, Denise Battaglini

Setting PEEP in ARDS: What's Evidence-Based? And How Do I Do It?

Giacomo Bellani (20 min.)

Transpulmonary pressure monitoring in critically ill patients: pros and cons

Lorenzo Ball (20 min.)

Refusal from mechanical ventilation: What's Evidence-Based? And How Do I Do It?

Giacomo Bellani (20 min.)

Update on weaning from mechanical ventilation and tracheostomy care

Denise Battaglini (20 min.)

Discussion (10 min.)

15:00–15:15 Break (15 min.)

15:15–16:45

Секция 1. Respiratory support in hypoxemic ARF. Part 6

Moderators: Gritsan A.I., Yaroshetsky A.I., Giacomo Bellani, Denise Battaglini

Ventilatory management in patients with chest trauma

Giacomo Bellani (20 min.)

Discontinuation of mechanical ventilation in ICUs in 50 countries (WEAN SAFE): a multicenter prospective observational cohort study

Gritsan A.I. (20 min.)

Impact of immunosuppression in incidence rate of infectious ventilator-associated complications: an observational study (preliminary results)

Vladimirov S.A. (20 min.)

Hypothesis of gravitational impact on ventilation-perfusion ratio in mechanical ventilation
Gritsan A.I. (20 min.)

Discussion (10 min.)

16:45–17:00 Break (15 min.)

17:00–17:30

Closing ceremony
