6/4/2021

Mustang Families,

As we near the end of the year, I want to say thank you to everyone for your continued patience as we have navigated the pandemic. Because of your support, CES has been able to remain in person, full time, all year! What an incredible gift to our families as well as to our students. While CES will continue with the AOE guidance for the remainder of the year, I am hopeful that we will not have the level of COVID precautions in the fall. We will, however, likely have some COVID strategies in place to keep kids safe--especially those not vaccinated. We will have a busy next couple of weeks! Enjoy the warm weather!

**End of year Celebrations and Graduations:** Graduation for 8th grade students will be held on Thursday, June 17th at 5PM. The rain date is on Friday, June 18th. PreK GRaduation is on Thursday, June 10th at 5PM.

**Step-Up Day for Students:** There will be Step-Up day for students to visit the classroom of their next year's teacher on June 18th at 9AM. Virtual students are encouraged to attend this time. Please contact the school if you have any questions. Virtual students will be able to attend virtually if that is what you would prefer. We will share the link to the meeting as the day gets closer.

**Last Day of School:** The last day of school for students is on June 18th. The last day of school for PreK students will be on June 10th. The 18th will be a ½ day for students. Students will be dismissed at noon.

**ENCORE After School Last day:** The last day of ENCORE After School Programming will be on June 11th.

**Vaccine Clinics:** CES will hold a second Vaccine Clinic on June 24th. Here is a link to look up other clinics in the state <https://www.healthvermont.gov/covid-19/vaccine/getting-covid-19-vaccine>

**Library Books:** Library books are no longer being checked out at school. Please be sure to send in any books that your child still has borrowed from our library.

**Virtual Learners Return supplies and technology--**Students who attended school virtually this year should be returning their technology as well as any other supplies they have been given. Please keep these resources until you are finished with your work. At that time, please drop them off at the school.

**Tech Savvy Girls Summer Camp--**<https://sites.google.com/site/techsavvygirlsvt/home>

**Schedule:** Please remember the changes in the schedule in the following weeks:

6/9--CES Board Meeting @6:30PM  
6/10-11--8th grade trip  
6/15--Beach Day (tentative)  
6/17--8th grade Graduation  
6/18--Last day for students (½ day)

Sincerely,

Chris Lawson  
Principal
