

TP4

YOU EXPLORE

0) MAKE A COPY OF THIS DOCUMENT AND READ IT.

In groups of 5, use the language and ideas covered in Unit 4 from the book *Wider world* to **create a digital presentation about an online company**.

1) Use the internet to research and classify information about it.

2) Divide and distribute the tasks to all members and post it as a comment in edmodo's Assignment and here:

GROUP (number):

Information research: Pepito Gomez

Information organization (questions):

Visual Presentation design:

Audio Visual research (Images, photos, videos, audios):

Extra spot (you decide the task):

3) Answer the questions to gather essential information that must be addressed in your presentation.

1. what does the company do?
2. What is the company's history? (Who founded it, when, where, why, etc)
3. Who works for this company and how?
4. Who uses the company's products or services?
5. Which devices support the company's products or services?
6. Are there any conditions to use the company's products or services?
7. Are the products or services for free? (\$)
8. How does this company has a positive impact in society?
9. What would you change about this company?

Every member of the group MUST TALK.

4) **EVALUATION:** The aim of this project is to evidence the use of new vocabulary.

Vocabulary: 5

Grammar: 1.5

Presentation:1,5

Creativity and Organization: 2

Visual Presentation: You can use Powerpoint, Canvas, or any program you like to display the pictures, video, audio etc.

Hand in presentation: You must hand in the copy of THIS google drive document following your TP guide given at the beginning of the year. You can turn it in at Ed modo in the Assignments part "entregar tarea". The copy of the Document must be **Shared with me (miss.flord@gmail.com) in google drive.**

5) Share it with your class orally and share the presentation via Edmodo next wednesday (15/8/2018)
