

2022 - 2023  
Timberwolves Ladies  
Softball Booster Club

# Sponsorship Program

The Cedar Park High School softball Booster Club supports the team and coaches. The team's goals are to instill confidence, provide an environment to improve skillsets, develop character and leadership, and become a stronger individual through the game of softball. We are requesting your assistance and sponsorship in providing for these young ladies. Your contributions go towards practice gear, team meals, travel expenses, awards, and enhancing each team member's experience this season.
