

Privacy Policy

Privacy Policy for Products and Services

Your privacy on the Internet is of the utmost importance to us. We want to make your experience online satisfying and safe. Because we gather certain types of information about our users, we feel you should fully understand our policy and the terms and conditions surrounding the capture and use of that information. The information you provide is safeguarded. This Privacy Policy discloses what information we gather and how we use it.

This Privacy Policy has been compiled to assist you (“you,” “your,” or “User”) to understand how Nino Gogoladze (“we”, “our,” “us” or “Gogoladze”) collect, use and disclose your personal information.

“Safe Photo Vault: Keep Private” would like to provide you with information about the processing of your personal data for the use of the services provided to you as a result of your use of the “Safe Photo Vault: Keep Private” applications and website (hereinafter: “the Service”).

By your use of “Safe Photo Vault: Keep Private” Services, including the use of our website and (mobile phone) applications (our “Site” and “Applications”), you consent to the processing of your personal data, if any, for the purposes set out in this Privacy Policy.

Please review the below information. By entering our website or registering for and/or using our products and services you agree to the terms of this Privacy Policy and authorize “Safe Photo Vault: Keep Private” to disclose the information as described below.

Using a microphone

We require AUDIO RECORDING PERMISSION from your device in order to record sounds around you and play them back through headphones, amplified and tailored to suit your hearing. We do not collect your personal information because we respect your privacy.

Using a Photos or Videos

We require PERMISSION TO ACCESS PHOTO OR VIDEO from your device in order to store photos/videos you take in the application and restrict access to them using the access code you specify

Emails or Text Messages

To send support messages, we process the data you enter, such as the subject line, sender, recipients and content of the email or message

Coarse Location

We require PERMISSION to coarse location from your device in order to use this data when saving photo/video recordings and mark where they were taken

Collection and use of information

When you register with us and use the Application and our web-site, you generally provide (a) your name, email address, phone number, state and zip code, location, age, period of hearing loss, model of your mobile phone and OS version, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application. "Safe Photo Vault: Keep Private" uses the information we collect to provide you with our products and services and to respond to your questions. We also use the information for editorial and feedback purposes, for marketing and promotional purposes, to inform advertisers as to how many visitors have seen or clicked on their advertisements, and to customize the content and layout of "Safe Photo Vault: Keep Private" web-site and application. We also use the information we collect for statistical analysis of users' behavior, for product development, for content improvement, to ensure our products and services remain functioning and secure. Individually identifying information, such as names, postal and e-mail addresses, phone numbers, and other personal information which visitors voluntarily provide to "Safe Photo Vault: Keep Private" may be added to "Safe Photo Vault: Keep Private" databases and used for future calls and mailings regarding site updates, new products and services.

As you navigate through and interact with our Website, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions and patterns, including:

Details of your visits to our Website, including traffic data, location data, logs and other communication data and the resources that you access and use on the Website; Information about your computer and internet connection, including your IP address, operating system and browser type; The Website may use "cookies" and other technologies such as pixel tags and web beacons. "Safe Photo Vault: Keep Private" uses cookies to track user traffic patterns. Information "Safe Photo Vault: Keep Private" gathers through aggregated tracking is used to determine which areas of our sites users like and don't like based on traffic to those areas. We do not track

what individual users read, but rather how well each page performs overall. We collect this information in order to determine how to create the best experience for our customers. We may track search terms entered in our Search function as one of many measures of what interests our users, but this tracking is never associated with an individual user. You can refuse cookies by turning them off in your browser.

We collect personal data during the installation procedure of the Applications and your setting up/configuration of your profile with “Safe Photo Vault: Keep Private”. We subsequently process (technical) information about your sense of hearing by our hearing test, that is required to optimize personal hearing loss compensation, in order to provide you with the Service. The results of your audiometry are stored on your phone and we do not have access to it.

If your communication requests a response from us, we may send you a response via e-mail. The e-mail response or confirmation may include your personal information, including your name, address, etc. We cannot guarantee that our e-mails to you will be secure from unauthorized interception.

Analytics

We may use third-party Service Providers to monitor and analyze the use of our Service.

Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network.

For more information on the privacy practices of Google, please visit the Google Privacy & Terms web page: <https://policies.google.com/privacy?hl=en>

Providing information to third parties

We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement;

- to advertisers and third party advertising networks and analytics companies as described in the section below.

Access and correction of information

You may contact us if you wish to view, edit, or delete your personal information from our database, and we will use commercially reasonable efforts to accommodate your request. You may also contact us if you believe that any inaccurate or inappropriate information has been obtained or provided to others through your use of this Website.

Security

“Safe Photo Vault: Keep Private” operates secure data networks protected by industry standard firewall and password protection systems. Our security and privacy policies are periodically reviewed and enhanced as necessary and only authorized individuals have access to the information provided by our customers. Unfortunately, the transmission of information via the Internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our Website. Any transmission of personal information is at your own risk.

Full agreement

The Terms of Use and our Privacy Policy constitute the sole and entire agreement between you and “Safe Photo Vault: Keep Private” with respect to the Website and supersede all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to the Website and application.

Policy amendment

“Safe Photo Vault: Keep Private” approaches Internet communications with a strong commitment to individual privacy rights and concerns. As the Internet evolves, our policy will continue to change and develop. We therefore reserve the right to amend this Privacy Policy at any time with or without prior notice. Please check this page periodically for changes. Your continued use of the sites following any changes to this Privacy Policy will constitute your acceptance of such changes.

Collection of personal data from children

To the extent “Safe Photo Vault: Keep Private” is able to determine the age of users by their submissions to or communications with “Safe Photo Vault: Keep

Private” Website, “Safe Photo Vault: Keep Private” will not knowingly (i) collect or post information from individuals under the age of 13 ("children") without their parent's or guardian's consent, or (ii) provide any personally identifying information collected from children, regardless of its source, to any third party for any purpose whatsoever. No information collected through “Safe Photo Vault: Keep Private” website from users self-identified as children will knowingly be used for any marketing or promotional purposes whatsoever, either inside or outside “Safe Photo Vault: Keep Private”

Shelf life of personal data

We keep your personal data for as long as we provide the Services to you.

Contacts
