

Freestate Auto & Truck Fleet Program

“Where reliability, convenience, and quality customer service is our main Auto Motive”

**Blue Seal
of Excellence**

**RECOGNIZED
BUSINESS**

Freestate Auto and Truck Service is a full-service automotive repair facility specializing in fleet maintenance and repair for light and medium-duty, gasoline and diesel vehicles. We have provided the Washington Metropolitan area with the latest products and unprecedented service since 1989.

At Freestate, our primary focus and goal is to provide all our fleet clientele with quality, priority, and reliable mechanical work, while reducing your company's automotive expenses. By staying current with industry updates, changes, enhancements, and technology, Freestate Auto and Truck Service can ensure effective and efficient maintenance solutions for our fleet clientele. Recognizing that fleet vehicles represent a large financial investment and are crucial to a company's success, we can build a tailored maintenance solution that will address ongoing and future repairs of our client's fleet vehicles. Our customers are our most important asset and our top priority. Our motto and goals are to allow our clients to "Drive Worry Free"! Give us a call today to discuss your fleet repair solutions!

Why choose Freestate for your fleet maintenance?

- Savings! -When you allow Freestate Auto & Truck to service your fleet vehicles, your costs will be reduced since you will only be charged for the work performed and will avoid the “management fees” implemented by a fleet management company.
- Reliability! - We are independently owned and operated with 30+ years of experience.
- Time is Money!- We will pick up and deliver vehicles to all our fleet customers.
- Skill!- Our experienced technicians will repair what others can't!
