	Australian spur - winged plovers,
13.	<u>Character Study</u> Walt: recognise, and back up with reasons or quotes, characteristics of the main character. Robbie is the main character in this story and it is through his actions the story takes place. Using a whole page create a character study of what he is like. You may draw a picture to go in the middle, but keep it small so you have plenty of room for writing. You may not know enough for a whole page yet, but you will be adding to it as you read.

When you write what you think he is like give an example to back up your claim. For example **he is rude** because he refuses to answer people when they talk to him
.....**he is sad** because he is not interested when they fly over the Bay of Plenty
